

# PENREN this Week

July 14, 2003

## Wedges 2-5 Renovation

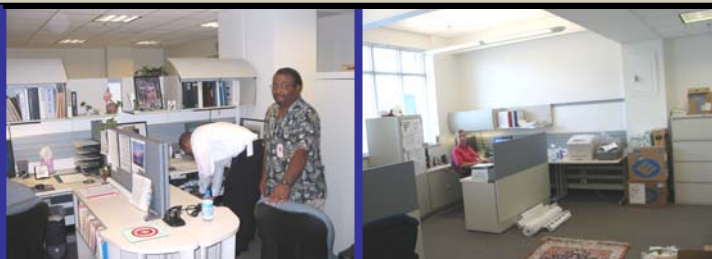

Wedges 2 through 5 encompass the remaining 4.5 million square feet of Pentagon space to be renovated by 2010.

### July 11: MOVE-IN DAY IN WEDGE 2!

Left: A Navy employee moving paperwork into his new office. Right: Packing boxes, plants and decorations illustrate the move activity in Wedge 2.

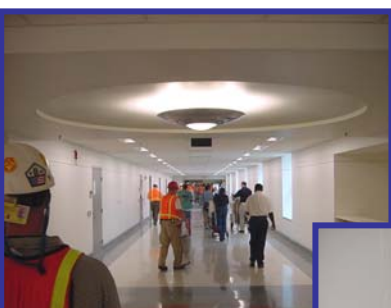

These four photos give a good illustration of the various office configurations made possible by the Smart Walls and Universal Space Plan concept at work in Wedge 2.

Left: A Pentagon employee looks on as an IT worker makes final touch ups in his office area. Right: A new Wedge 2 tenant, all moved in.

Meanwhile, workers continue to bring more Wedge 2 space on line...

Top: Tenants and inspectors on the 3<sup>rd</sup> floor A ring. Right: An electrician works on a conduit in a Wedge 2 mechanical room.

## Pentagon Accessibility Forum

On July 14, 2003, The Pentagon Renovation Program, in conjunction with the Pentagon Building Management Office, DoD Disability Program Office, the Pentagon Force Protection Agency and the Pentagon Accessibility Task Force held the 4<sup>th</sup> Pentagon Accessibility Forum.

Attendees were able to get updates and information on PENREN Projects and Pentagon building and security improvements. Forum participants were able to ask questions and voice concerns about accessibility and egress issues around the Pentagon Reservation.

Participants at the Forum listen to a presentation on the Pentagon Memorial project.

Sign language interpreters, pictured below were on hand for the hearing impaired.

PENREN Deputy Program Manager Ken Catlow addresses the audience at the Forum.

Left: PENREN and PBMO employees answer questions raised at the Forum.

A copy of the Forum Presentation and a Q&A will be available for download on the **PENREN website** soon.
